

November Toyo crunch time, need all to step up !

Posted by 944Racer72 - 31 Oct 2011 13:45

I think everyone knows that we are down to crunch time for the regional championship tire money. We have 6 races in the bank now with 5 or more starters. For the contingency, we need 8 races with 5+ starters so both November races are vital to ensure the contingency.

I'm open to doing whatever is necessary to bring people out and I think the other competitors for the bucks are in the same boat.

So far we have:

Big Dog

Ron

Ken (IO Port Ken driving Ken Huey's car)

Me

We need a 5th at least and 6th would be great to allow for a breakdown or incident.

Who's in?

Sounds like a great time was had by all.

Congrats to Steve and Jim for splitting wins and having a fun race.

Greg I told you the #12 was fast!!!!

WTG Ron for sticking with it and showing the Miatas the fast way around the track.

Wish I could have been there.
