

Late Offset Phone Dials with Yokohama ES100 Tires

Posted by Litespeeds - 15 Jun 2008 14:25

[sfbay.craigslist.org/sby/pts/720778565.html](https://www.ebay.com/itm/720778565)

Found a nice set of late offset Phone Dials for only \$300 with good tread Yokohama ES100 tires. Whomever needs these wheels can remove the tires and sell them for at least \$100 for the set. Good deal.
