1986 944 na, PO was an Porsche mechanic, rebuilt top end, water pump, all belts (timing) and balance shafts replaced last month. I was turning into an autocross car but this thing needs to wheel to wheel, which I don't have the time for.

New clutch and bolstered steel control arms done by Jones Autowerks, this week

Koni adjustables all around

Magnecor 8.5 Racing wires

weiltmeister throttle cam

No leaks anywhere on the car from the sun roof, rear hatch to all the front and rear engine seals

SS brake hoses

Wilks Race Chip

new MOMO steering wheel

battery pan rebuilt 100%

Lindsey Racing front and rear adjustable 968 M030 sway bars. new adjustable drop links and brackets

Coolant and brakes lines flushed last week

2 sets of wheels: 15" phonies and a set of rare 17" spinned 997 10 spokes with Michelin Pilots.

with spacers

AC recently redone and blows extremely cold.

Asking $5900 OBO. In San Antonio. Trades will be considered. Text or call 210-264-4615 or email
